# FinalProject: Duel with The Pursuer

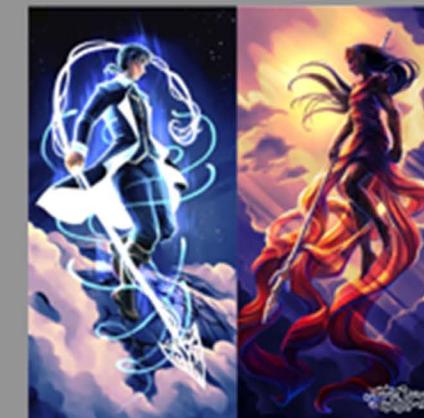

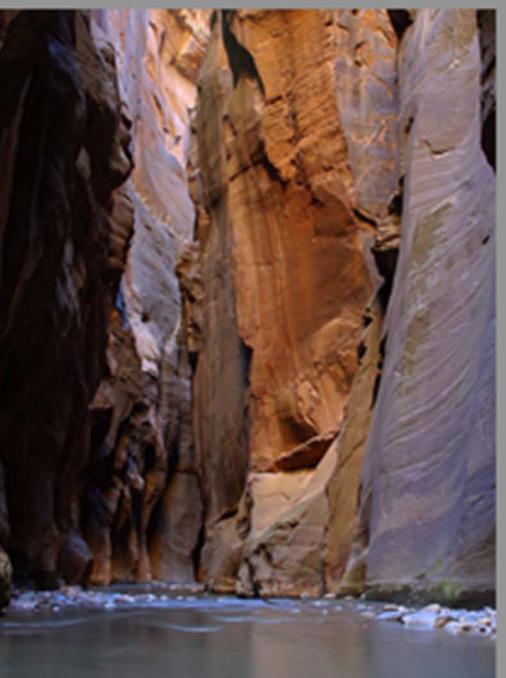

An illustration of a scene from Rhythym of War, by Brandon Sanderson. It features Kaladin dueling a fused known as 'The Pursuer', and defeating him. As he wins, he states, "I am death itself, defeated one. And I've finally caught up to you."

It features Kaladin standing atop one of the defeated one's corpses, facing down his fallen enemy, surrounded by fused, singers and men.
